Dear Judge Rogers:

The purpose of this correspondence is to formalize the agreement between Baylor County and the Texas Department of Public Safety (DPS) for the support of a scheduled driver license office.

In order for Baylor County to retain driver license services, the county must meet the requirements listed in the attached Interlocal Cooperation Contract.

By signing the Interlocal Cooperation Contract, Baylor County agrees to provide the necessary items to allow DPS to continue providing driver license services. If the county does agree to the partnership with DPS, please return the signed contract by close of business on October 31, 2012.

If you have any questions, please contact Lori Melcher by phone at 512- 424-5370 or by email at lori.melcher@dps.texas.gov.

Sincerely,

Steven C. McCraw
